## **1. If you travel with us, you are bound by these conditions**

- 1.1 These Conditions of Carriage form the basis of our contract with you if you travel with us, or you are on one of our buses, trains, or ferries (Vehicle(s)) or on any of our premises that form part of the Metlink public transport network.
- 1.2 You agree to, and are bound by, these conditions as well as the conditions of use specified on paper tickets (where applicable), and terms specified on the Metlink website when you choose to travel on the Metlink public transport network by boarding one of our Vehicles, or if you are on one of our Vehicles or any premises used as part of the Metlink public transport network, for any other purpose.
- 1.3 These conditions may change from time to time. Go to: <https://www.metlink.org.nz/about/legal/conditions-of-carriage/> for the current version.
- 1.4 Metlink Staff are required to ensure that these conditions are adhered to and where relevant may exercise discretion in ensuring that these conditions are complied with on our behalf.
- 1.5 We take our obligations under relevant consumer laws seriously and strive to meet the guarantees applicable to our services under the Consumer Guarantees Act 1993. These guarantees are that the transport service you receive will be carried out with reasonable care and skill and will be reasonably fit for its purpose. Subject to paragraph 1.6, nothing in these conditions affects any of our obligations or your rights under the Consumer Guarantees Act 1993.
- 1.6 If you are using our services for business purposes, you agree that the provisions of the Consumer Guarantees Act 1993 do not apply.
- 1.7 Various terms are defined in Section 23 of this document.

## **2. We do our best to operate according to our timetables**

- 2.1 Our timetables (available at <https://www.metlink.org.nz/#timetables> visible by entering the route number or using the journey planner) show scheduled arrival and departure times. The timetables may change from time to time including during planned service disruptions or route diversions. You should always refer to the latest timetables when planning your Journey. We always try to run reliable and punctual services according to these timetables. However, departure and arrival times are not guaranteed.
- 2.2 The scheduled arrival or departure times of services are shown at many stations and stops across the network via our Real Time Information (RTI) message boards or on physical boards or printed timetables. While we do our best to provide accurate information about our services, departure and arrival times shown on RTI signs and on the printed timetables are not guaranteed.
- 2.3 Sometimes our services may be disrupted and not run according to our published timetables. These are “unplanned service disruptions”. The cause of these unplanned service disruptions may be within or outside our control. Examples of causes outside of our control include: adverse weather conditions; tides; traffic conditions; the condition of road and rail infrastructure; accidents; mechanical, electrical or communications failures; safety concerns; power failures; fuel shortages; disasters; emergencies and industrial action.
- 2.4 If there is an unplanned service disruption, we will do our best to:
  - a. tell you why;
  - b. keep you informed about service changes during your Journey; and

- c. provide information about disruptions and service changes via the Metlink website (<https://www.metlink.org.nz/alerts/>), RTI signs and other communication channels.
- 2.5 Some service disruptions are planned or are known in advance, for example disruptions to accommodate maintenance work, certain road closures, diversions, and trials. These are “planned service disruptions”. We will provide you with information on planned service disruptions (via the link in clause 2.4, RTI signs and other communication channels).
- 2.6 If service disruptions occur, we may use a different Vehicle, change timetables or routes, or stop or cancel Vehicles. If the service disruption is unplanned, then we may do these things without giving you or other customers advance notice.
- 2.7 Where the causes of any service disruptions are within our control, we will try to remedy the service disruption within a reasonable time, including by trying to provide replacement services. We will try to ensure that any replacement services we provide depart from, and stop as close to, the scheduled stops as is lawful and safe, and run as close as reasonably practicable to the scheduled times, however, you should be aware that we may not always achieve this. In addition, replacement services may be provided using a different type of Vehicle or a Vehicle with different passenger, cycle or luggage capacity.
- 2.8 You have rights of redress under the Consumer Guarantees Act 1993 if we have not met the guarantees applicable to our services under the Consumer Guarantees Act 1993, which are:
- a. that the transport service you receive will be carried out with reasonable care and skill; and
  - b. that the transport service will be reasonably fit for its purpose.
- 2.9 Under the Consumer Guarantees Act 1993 you may have the right to a partial or full fare refund in relation to unplanned service disruptions unless the service disruption was due to:
- a. causes beyond our control; or
  - b. an act, default, omission, or representation made by a party other than us or our agents.
- 2.10 We will consider your request for a fare refund in relation to a service disruption where we have not met the guarantees applicable to our transport services. If you believe you are entitled to a refund, please contact Metlink at: <https://www.metlink.org.nz/about/contact-us/>, or email: [info@metlink.org.nz](mailto:info@metlink.org.nz), or phone: 0800 801 700.

### **3. Vehicle capacity and health and safety**

- 3.1 We try to provide appropriate Vehicle capacity on our services, but there may be occasions when a Vehicle reaches its passenger capacity limit, or a limit required under public health direction. If a Vehicle is full, you may be refused entry to board it, and in some cases, it may not stop to pick up waiting passengers.
- 3.2 We may refuse you entry to, or require you to leave, our Vehicles at any time for health and safety reasons.
- 3.3 In some instances, Metlink may be required under public health direction to advise passengers on other public health measures that are recommended or required under an order from the Director General of Health.

#### **4. Getting on and off bus services**

- 4.1 You must ensure that you are clearly visible to the driver at your bus stop or pick up point.
- 4.2 You must get on and off the bus only at designated bus stops, unless the bus service is a “hail and ride” service or a “Metlink On Demand” service. Drivers will stop only where it is safe and legal to do so.
- 4.3 If there are passengers waiting to get off the bus, you must let these passengers get off before you get on the bus.
- 4.4 You must not stand on the steps of the bus or in any area marked as “no standing area” (e.g. beside the driver) while the bus is moving.
- 4.5 School students using any school bus service must use the front door of the bus to get on the bus. When the bus has stopped at a school at the end of a school bus route, students may get off via either the front or back door.

#### **5. Fares and tickets**

- 5.1 You must have a valid Ticket or proof of entitlement to travel on our services. You must keep your Ticket safe, undamaged and unaltered for the whole of your Journey and present it on request for validation by Metlink Staff. Otherwise, you may be required to pay another fare or asked to leave the Vehicle. You will not be eligible for a refund should you later find a missing Ticket.
- 5.2 Metlink reserve the right to vary or change the Terms and Conditions of any Ticket including their availability and validity for any or all parts of the Metlink public transport network. Changes to the availability and conditions of any Ticket, and relevant transition guidance, will be communicated via our website (<https://www.metlink.org.nz/tickets-and-fares/>) and other communication channels.
- 5.3 Each Ticket is valid under its own Terms and Conditions as specified on paper tickets, the Metlink or ticketing suppliers’ website (link in clause 5.2), and these conditions.
- 5.4 Metlink tickets are subject to the Metlink Refund Policy at the following link: <https://www.metlink.org.nz/about/legal/refund-policy/> and are non-refundable unless otherwise specified on the Metlink website (link in clause 5.2) or on the back of paper tickets. For a limited period (including during planned changes to fares and/or tickets) paper tickets may be issued with a mark (e.g. a stamp) that indicates an expiry date or any other changes to the Terms and Conditions of the ticket required for the planned change.
- 5.5 You must pay the correct fare for your entire Journey in accordance with the Metlink fare schedule, the conditions of use printed on tickets and specified on the Metlink website (link in clause 5.2) and these conditions.
- 5.6 Information about Metlink fares including how fares are calculated, fare zones, fare types, concessions, Ticket prices and how and where Metlink tickets can be purchased are set out on the Metlink website (link in clause 5.2).
- 5.7 Where available, you can buy paper tickets on board our Vehicles with cash. However, most Tickets (including Snapper cards and period passes, and the credit stored on Snapper Cards) need to be purchased or in the case of a Snapper product, topped up in advance. Cash fares and some fare products may not be available on some services. EFTPOS facilities are not available on our Vehicles unless otherwise specified for the service. Information on the Metlink fare schedule,

fares and how Tickets are purchased is available on our website (link in clause 5.2).

- 5.8 Off-peak hours are between 9am and 3pm and after 6:30pm on weekdays; and all day on weekends and public holidays. These are also the hours for free travel on SuperGold Cards on designated services. Where applicable, bus Trips on early morning services before 7am are off-peak. Off-peak discount is not available on ferry services and the Airport Express Services, where special Airport service fares apply.
- 5.9 You may purchase a cash or prepaid Ticket for another person or give your Ticket to another person. In either case, the new holder of the Ticket will be the lawful holder, and will be bound by these conditions, any conditions of use specified on paper tickets, and the Metlink website (link in clause 5.2) <https://www.metlink.org.nz/tickets-and-fares/>.
- 5.10 You may not travel on a Vehicle beyond the point for which you have paid a fare or beyond the time for which your Ticket is valid, or otherwise evade or attempt to evade paying the fare for your Journey. If you continue to travel, you will be required to pay another fare or to leave the Vehicle.
- 5.11 If you have a Ticket that allows you to change Vehicles, you may start, or break and resume, a Journey at any station or bus stop, as long as the Ticket you hold is valid for the services you want to use and under the terms and conditions of the Ticket that allows transfer between eligible services at no extra cost.

If you are using the stored value on your Snapper card and have to change from one train to another to complete your Journey on the same line, you may be eligible for a transfer discount for your entire Journey, subject to the terms and conditions for Journey-based fares specified on the Metlink website (link in clause 5.2) at: <https://www.metlink.org.nz/tickets-and-fares/>.

- 5.12 Journey-based fares are not available for Journey's that involve transfers between Metlink trains and buses (including buses replacing trains) or Journey's that involve multiple rail lines or transferring between ferry services, unless you are using a Ticket that allows free or discounted transfers between Metlink services under the Terms and Conditions specified for the Ticket.
- 5.13 Period passes or free travel entitlements (including SuperGold card) allow an unlimited number of Trips and transfers between eligible services and during valid times subject to the terms and conditions specified for the pass or the free travel entitlement.

## **6. Paying your fare using a Snapper card**

- 6.1 Snapper Card is the preferred method of fare payment for travel on Metlink services for which the Snapper payment system is available.
- 6.2 Where you wish to pay by cash, it is preferred that you pay the exact amount. Bus drivers have a limited cash float and may not be able to provide change. If correct change cannot be given, you may still travel with Us but the driver will hold your cash, issue you a "discretionary ticket", and ask you to approach them again before leaving the bus to check if the correct change has become available. If the correct change is still not available when you check back with the driver, the driver will return your original cash tendered in exchange for your discretionary ticket (including your name and phone number) and you may leave the bus without paying. We may follow up with you to recover the fare.
- 6.3 If you are using a Snapper Card, the card must be loaded with a valid travel pass or a stored value of at least the minimum permissible fare amount for the Trip you wish to take at the initial tag-on. Otherwise, you may not be able to use your card to travel with us and you may be required to pay another fare or leave the Vehicle.

- 6.4 When using a Snapper Card, you must validate your travel at the start of your Trip by tagging on, and at the end of your Trip by tagging off.
- 6.5 Some Journey's involving transfers between trains or between trains and buses replacing trains may require tagging on at the first stop or station and tagging off at the last stop or station of the Journey. The terms and conditions for transfers are set out on the Metlink website at: <https://www.metlink.org.nz/tickets-and-fares/>
- 6.6 On Metlink buses, you may be able to request the driver to allow for multi-passenger 'tag-on' on the same Snapper Card. The driver will manually enter the amount of people to be tagged on before you tag your Snapper Card. The multi-passenger tag on is not available for group travel on Metlink trains or On Demand services and may not be allowed for some concession types. Some Metlink passes or ferry Tickets may allow more than one passenger to travel together under the Terms and Conditions specified for the Ticket. Multi-passenger tag on is subject to the conditions specified on the Metlink website at: <https://www.metlink.org.nz/tickets-and-fares/>
- 6.7 Unless a Snapper pass allows more than one person to travel together on a single Snapper card (for example Metlink Explorer day pass with Snapper), each person getting on a train must either use their own Snapper Card or where applicable, pay for the Trip with another valid payment method.
- 6.8 When using a Snapper Card, if you do not tag off at the end of your Trip, a "Default fare" may be applied to your card and any free or discounted transfers onto the next service will not be available. The "Default fare" may vary for buses or rail trips and in the case of rail trips depending on where the Trip starts and direction of the trip.
- 6.9 For passengers with a Concession, the "Default fare" will be at the applicable concession fare. "Default fares" are subject to the conditions specified on our Website at: <https://www.metlink.org.nz/tickets-and-fares/>.
- 6.10 When using a travel pass loaded on a Snapper Card, the pass will not work if the card's stored value has a negative balance.
- 6.11 Journey-based fares are available on certain Metlink services when the fare is paid with a Snapper Card, subject to the Terms and Conditions specified on the Metlink website at: <https://www.metlink.org.nz/tickets-and-fares/>.
- 6.12 When using a Snapper Card, you are subject to the Terms and Conditions set out by Snapper: <https://www.snapper.co.nz/terms-and-conditions/>

## **7. Concessions and discounts**

- 7.1 We have a range of discounted or free fares, and travel concessions. Not all concessions are available on all services. Concessions and discounts are available for eligible groups subject to the Terms and Conditions set out on our website at: <https://www.metlink.org.nz/tickets-and-fares/>.
- 7.2 Unless otherwise stated for a discounted or free travel entitlement, if you are travelling on a concession fare you must present to Staff a valid Ticket and proof of entitlement that you are entitled to the concession fare every time you board a Vehicle or whenever requested to show your Ticket during your Journey. If you do not, you may have to pay the required fare or leave the Vehicle.
- 7.3 From time to time, we may change fares or tickets or run certain initiatives or promotions which Metlink can determine for certain services, times, fare and payment types and be subject to such

terms and conditions as we advise through Metlink communication channels including the Metlink website at: <https://www.metlink.org.nz/>.

- 7.4 Fares and concessions provided under national schemes are subject to the terms and conditions set under the scheme and availability of funding support from central Government.
- 7.5 As of 1 April 2023, off-peak discount and concessions have a cumulative effect whereby you will get the off-peak discount on each concession that you are entitled to subject to the Terms and Conditions specified on the Metlink website at <https://www.metlink.org.nz/tickets-and-fares/>
- 7.6 Unless otherwise stated in the Terms and Conditions for a discounted product or concession or in these conditions, for all peak periods, only one fare discount or concession applies at a time for any Trip or Journey. Fares are limited to those set out at: <https://www.metlink.org.nz/tickets-and-fares/>.
- 7.7 An off-peak discount is only available when the fare is paid using stored value on Snapper Card. Off-peak discounts may not apply on some services and is not available on On Demand, Airport Express and ferry Services.
- 7.8 Children aged under 5 years are eligible for free travel on our Vehicles at all times when accompanied by another passenger aged ten years or older.

- 7.11 Full-time and limited full-time tertiary students that meet certain eligibility criteria may travel on a Tertiary Concession. This concession is not currently available on Metlink On Demand services. For details refer to: <https://www.metlink.org.nz/getting-started/tickets-and-fares/cards-and-passes/tertiary-concessions/>.
- 7.12 SuperGold Card holders are entitled to free travel on designated services during the off-peak and in accordance with the SuperGold Card eligibility rules. For details refer to: <https://www.metlink.org.nz/getting-started/tickets-and-fares/cards-and-passes/supergold-card/>.

This concession is not currently available on Metlink On Demand services. For details refer to: <https://www.metlink.org.nz/getting-started/tickets-and-fares/cards-and-passes/accessible-concession/>.

The Conditions in this section apply to all passengers booking and using a Metlink On Demand Service and should be read in conjunction with the Metlink On Demand Terms and Conditions

<https://www.metlink.org.nz/about/ondemand/>. If there is any inconsistency between these Conditions and the Metlink On Demand Terms, these Conditions take precedence.

### **Definition**

- 8.1 The Metlink On Demand Service operates between the hours set out on the Metlink website <https://www.metlink.org.nz/about/ondemand/>. Pickup and drop-off times will vary on each Journey.

### **Using the Metlink On Demand Service**

- 8.2 All passengers intending to use the Metlink On Demand Service must be booked onto the service using the Metlink On Demand App prior to boarding.
- 8.3 Hailing and 'hop on' are not available. This means the Metlink On Demand Service will not stop to pick up passengers who have not booked for the service.
- 8.4 All passengers must be seated for the Journey on the On Demand Vehicles. Once a Vehicle is full, the Metlink On Demand App will not allow additional passengers on that Vehicle.
- 8.5 Metlink cannot guarantee that the Metlink On Demand Service will drop passengers to their preferred connecting Trip or Journey prior to the connecting Trip or Journey leaving the drop off location.
- 8.6 In addition to the conditions set out under clause 20, causing issues or concerns for Metlink On Demand services repeatedly (including repeated 'no shows') may result in the passenger being banned or trespassed from the service.

### **Booking / Cancelling**

- 8.7 All bookings must be made through the Metlink On Demand App. To download the Metlink On Demand App visit: <https://www.metlink.org.nz/about/ondemand/> .
- 8.8 Anyone who has not booked through the Metlink On Demand App may be refused entry to the Vehicle.

- 8.12 Multiple passengers can be booked onto a Ride. The number of passengers able to be booked is specified on the Metlink website <https://www.metlink.org.nz/about/ondemand/>. The cost for all passengers will be applied to the Account of the passenger that booked the service.
- 8.13 For group bookings, only one Destination can be booked. Multiple drop off locations are not supported.
- 8.14 A person can book a Ride for another passenger. The person booking is responsible for payment.
- 8.15 Passengers can only book one Ride through the Metlink On Demand App at a time.

- 8.16 Any passenger who books a Reserved Ride, then fails to appear for the service within one minute after the Vehicle has arrived will forfeit that payment. This minute is measured from the booked Pickup time or the arrival of the vehicle after the booked Pickup time. The Vehicle is required to continue the Journey one minute after arrival at the Pickup Location to ensure that other passengers are not inconvenienced.
- 8.17 Should a Vehicle arrive early to the Pickup Location, the Vehicle will continue the Journey no earlier than the estimated time of arrival at your assigned Pickup Location.
- 8.18 Repeated 'no shows' may result in a suspension of the relevant Account and/or incur extra charges.
